

EASTERN, OR NEW ENGLAND STATES.

*Commerce.*

Which are the eastern or New England States? Which State extends farthest north? Which extends farthest south? Which is the most eastern? Which is the largest of the New England States? Which is the smallest? Which State has no sea coast? Which three States are bounded north by Lower Canada? Which three States are bounded west by New-York?

NEW ENGLAND, embracing the six states east of the Hudson, is the most thickly peopled and commercial section of the Union.

The climate is various, and subject to great extremes of heat and cold, but is remarkably healthy.

Except the parts bordering on the coast, the Eastern States have generally an uneven surface.

The two principal ranges of mountains are the White mountains, in New Hampshire, and Green mountains, in Vermont. Mount Washington, the most elevated summit of the White Moun-
