Cures Performed,

ALTHOUGH HITHERTO CONSIDERED PAST RELIEF.

Copied from the Newark, (N. J.) Centinel of Freedom!

THIS is to certify, that my son, between sixteen and seventeen years of age, was nearly four years severely afflicted with a painful and sore leg. After having tried various medicines without effect, I was induced, from seeing many reported cures, to try "Dr. Reil's Botanical Drops," prepared by W. T. Conway; when to the astonishment of myself, son and friends, after taking these drops alone for several weeks, the sores healed and his leg became sound, (nearly fifty pieces of bone having come from the different ulcers, the last of which was two inches and a half in length and half an inch in breadth.) It is now several months since, and there is not the least appearance of further symptoms—I therefore think it a duty, as well to the proprietor of this valuable medicine as to the public at large, to make the same publicly known.
Witness my hand this 7th day of September 1818.
MATHIAS DAY Postmaster,
Newark, N. J.

A gentleman of Boston, was much troubled with an eruption on his upper lip which resisted all medicine, was cured by one bottle of these drops, and one box of "Dr. Reil's Antibilious Pills."

Mr. Wright, of Boston, was three years afflicted with a fever sore on one of his legs, had tried most medicines without effect, was cured by two bottles.

A child of Mrs. Burrell, of Hanover, was cured of ulcers and bills, some of which had eat down to the ribs by three bottles; the child was considered in a dying state when she began these drops.

An Elderly Lady of Boston, was severely afflicted for sixteen years with an eruption all over her, attended, with most tormenting itchings, burnings and blotches, had lost thereby two toes and one finger nail, was cured by six bottles, she had not left her room for six months, and considered past relief.

An Infant of Boston, was covered all over with eruptions, blind with both eyes, was cured by three bottles.

A gentleman of Lexington, Mass. was sorely afflicted twenty years with five ulcers on his legs, could obtain no relief, was cured by four bottles.

A gentleman of Boston, his wife and five children, was many years afflicted with eruptions, had tried every medicine without success, was cured by these drops.

A Gentleman, of Roxbury, was 50 years afflicted with a humor on one of his legs, attended with burning, itching and blotches, was relieved as past relief for thirty years, could not lie in a bed at times, was perfectly cured by these drops.

A Lady of Charlestown, was two years afflicted with a white swelling on her knee joint, had tried every assistance and considered past relief, contraction had formed, when on taking these drops and using "Dr. Jebb's Lintment," in three weeks she had the free use of the joint, the pain left her, and by continuing them has obtained a perfect cure.

A Lady of Roxbury, was troubled with five enlarged glands, which had the appearance of wens, and forced her to carry her head on one side, considered past all relief, much debilitated, was cured by these drops, and
